

## Feedback & Report comments from parents – July 2021

Child	Report Comments
A	I am happy to see the report. I can see changed behaviour of her. She has improved in reading and writing. Because of her mother tongue, Gujarati, I can see improvement in her English language as well. Thank you to all teachers and staff who help and give support to my daughter.
H	Listens well and shares ideas frequently- democratically
K	No comments made
P	AS a parent I am very happy to see improvement in her general knowledge, English and science. She worked hard during lockdown in maths so it is good to hear that she is one of the top 10 students in maths. Thank you to all the teachers and staff for supporting students.
N	No comment recorded
P	Happy with all aspects of the report
K	Thank you very much for the report. It's been great to see in detail K's progress along this school year. Nothing has taken us by surprise, as K often shares with us what he has been up to in school. We are very happy to see that it matches what we know and he was able to catch up with all his learning despite his long absence due to his elbow injury. He loves going to school every day to 'learn new things and play with his peers' as he says. I read the report to him and he is very proud of himself for his achievements and so are we!
D	Thank you for all your support towards the children, we do understand the hard work from the school team. We are very happy for D report, despite lockdown, he did learn so many things.
H	It was nice to hear about H and how she is developing. She has improved a lot since the beginning and I hope you keep supporting her like this. I hope to see her improve like this by great teachers like you. Thank you.
S	I am so pleased with the progress that S has made since being in Rainbows. Mrs Patel has been very supportive in helping with S's sleeping behaviour at home and what I can do at home to support her. Very happy with her report.
A	First of all I would like to thank all of the staff for their dedication and commitment for the development of A. It has been quite an exceptional and different year given the changes, however, A has shown to have worked exceptionally well and has progressed well in her studies and become more confident. She looks forward to attending school every morning.
T-M	I am really pleased with T's progress. She is coming along brilliantly. She is also not that shy little T once we all knew. Thank you so much, you have also taught her very well.
I	I am really pleased with I's progress. He is coming along brilliantly. Thank you so much- you have all taught him very well.
T	I have received valuable information from school about my child's progress.
D	No comment recorded
C	I am happy with all – C has improved since she started her year in school. She has started to write, read and her speech is much better.
R	It was very pleasing to read the development of R during a Covid disruptive school year. She has learnt a lot and it's a testament to the teacher and teaching assistants for their hard work throughout the year.

## Feedback & Report comments from parents – July 2021

<b>P</b>	I am grateful to find out how he has been doing throughout this year and consider how well it has gone through the pandemic. I am happy to see so much support during the Covid closure.
<b>H</b>	This report gave me a thorough insight as to what H is like in school, her progress and areas needing extra attention. I am happy with what I have seen from her learning, she is thriving and enjoying learning. She brings her experiences home and shares her stories which shows me she is happy and allowed the confidence to be expressive. She loves her teachers so much and will miss them.
<b>S</b>	S does her homework which is sent by her teacher. She does reading and writing.
<b>A</b>	My daughter is very wise and talkative. She can recite many lines of the poetry. She enjoys the nursery activities.
<b>K</b>	It was nice hearing about K on how she is starting to feel confident. Also it is nice to see K play with other girls. Hoping to see her improve like this by great teachers like you. Thank you.
<b>M</b>	M is improving in a lot of things like recognising numbers, doing creative painting, making buildings and he is also trying to write his own name.
<b>S</b>	My child report is fine. Whatever I was thinking about, that she might have talent in some subjects, you have discovered it and written it in her report. Since she has been at school she has learnt lots of new words, talking, lots of plays, different traditions. Overall she is waiting impatiently for the mornings to go back to school. Thanks for your hard work.
<b>R</b>	Fantastic report – couldn't wish for anything better
<b>J</b>	No comment recorded
<b>D</b>	I have received support from school that my child has learned more things such as painting, physical activities and playing play dough, learning alphabet and shapes as well as other things. I want to say they helped my child a lot to learn new things every day in my child's learning journey. Thank you Moonbeams class teachers
<b>N</b>	I have received support from Merrydale Infants – they support my child during Covid pandemic by online lessons and they help a lot to keep my child learning. I want to say thank you so much for supporting my child learning journey.
<b>H</b>	No comment recorded
<b>D</b>	My child has very good progress with Covid situation and I am really happy with her progress.
<b>M</b>	I am happy with M's report
<b>S</b>	Really enjoyed reading the report. Very detailed and can see all the effort teachers have put in. S has become so much more confident over the year and I can see she has enjoyed so much doing all the activities. Thank you so much for giving such loving caring and nurturing environment!
<b>B</b>	I have to say thanks for all staff in Moonbeams. They did a great job when my son started school in September he couldn't say a word but now he can speak very good English language and feels very confident for everything.
<b>V</b>	Thank you so much all of you have been working so hard for my kids. Everyone had a difficult year but with your help we have reached our score.
<b>Vi</b>	Thanks to the extraordinary efforts of teachers and staff to implement a system of controls and also to parents and pupils for following Covid rules and guidance.

M	Since M started school, she has become much smarter. She has learnt stuff that is taught and it is helping her so much. When school started and during the first days, she didn't like it so was not willing to go but now, she always talks about school and makes us feel that she loves the school and all of the people, including the teachers.
T	I am happy with my child's results and she is learning very well.
Y	Respected teachers, as a parent we are thankful for your hard work and great efforts for our son. He has improved, very good skill in pronunciation of big words in a short period. This class is creative too for my son and he has learned many activities and discipline.
A	The report is very informative in letting us know how A has been doing at school, the progress that she has made in the different areas of learning and also on what she needs to work on, which is very helpful so we can help her at home.
R	Very happy with the result and also everything is so nicely laid out. We now know about where R can improve and where he needs to focus on. A big thank you to all the teachers.
G	Thank you for the amazing job that you do. You take care of every single child at the school in such a beautiful and loving way.
K	I am happy with K's report and I can see he is beginning to learn new skills.
A	Thank you for your support for A. She has really enjoyed being part of this class and enjoys coming to school. We are happy with her report which reflects her development.
D	D recognises all of the phonics and can blend them accurately. She can retell stories in her own words and make simple predictions. D loves to read books at home. Art and maths are the subjects that D enjoys the most. D can now count to 100 in 1s, 2s, 10s, 5s, she can also subtract small numbers to 20. D's handwriting is neatly formed correctly.
D	Thank you for giving this report. D has done a very good job and thank you for explaining on the report how she is doing.
H	No comment recorded
V	This year has been great because V enjoyed writing and learning about different topics and animals, and maths. He has learned new spellings. Thank you for your support.
D	My daughter loved to learn everything and I am proud of her.
L	Thank you very much, she is very happy.
P	P has improved a lot, the way he speaks and the way he reads a book on his own.
J	Very pleased with J's progress; he is trying very hard. Despite Covid, his social skills have also improved.
H	I am very proud of my child doing very hard work during this pandemic.
O	Thank you so much for everything the school gives my child. I want to say children do PE altogether and I wish they got separate.
D	I would like to say thank you so much for the safety the school gives to my child.
A	Dear Mr Tipple-Johnson, First of all I would like to thank Mr Harris and Mrs Brewin for their excellent work. They both supported my son and encouraged him to get over his adjustment problems at school. My son's report was understandable and very detailed so I have no questions. I was informed about his successes but also about his weaknesses. I am very satisfied.

## Feedback & Report comments from parents – July 2021

S	I am proud of my daughter that she has a good normal score. Thank you to Mr Harris and Mrs Brewin for teaching S for this year.
S	I am so proud of my daughter teachers; as we know my daughter S came to school without any English language. I worried that my daughter would be behind with her learning but as the time went forward I was so surprised how my daughter started to speak English, counting numbers and showing me how her teachers help her to move forward. I am so thankful that Merrydale Infants School is looking after my daughter.
R	I am pleased with my child's report and how she is getting on at school.
L	Thank you for providing a thorough report, I can see L is happy in school and enjoys new challenges. Thank you for your support throughout the year. I understand it was a difficult year but he got back into the swing of things thanks to your help. Thank you for the extra reading sessions, it helped him a lot.
Y	Thank you so much Mrs Anderssen and all teachers. Y is good at reading and writing and his studies have made good progress. Thank you so much teachers.
T	I am very pleased with T's report. I think he has done quite well given the circumstances over the school year. The listed Key areas to improve will be really useful for us to continue to support his learning over the summer holidays.
I	I am quite pleased with I's report. He has done considerably well given the circumstances over the school year. The listed 'key' areas to improve will really be useful to us to continue to support his learning over the summer holidays and the following school year.
G	Thank you so much to all of the teachers, especially Mrs Anderssen and Miss Fetch who have given wonderful and grateful support to G that his studies have progressed. His year 2 report is very good and he has become brilliant, confident and intelligent student.

M	Thank you for the report. We have seen M has been working very hard because of all the support from teachers and school.
A	How are they getting on? What are they doing good in? Is my child going out in groups or out with teachers? Is my child going to PE or going to finish work? Do they play with friends or just alone?
